Shark Tank: Age of Discovery

Rules of the Shark Tank:

1. All observers must remain neutral (no faces, no helping, no laughing)
2. If you are not in the Shark Tank—you are writing
3. All feedback must be constructive or encouraging—points will be deducted if you are mean

Part 1: Shark Tank- Use this space to write down the main points you argued and after you finish your Shark Tank round, circle the smiley face that best fits how you felt you prepared and preformed. (Remember this is only about your performance not comparing it to other peoples)

Main Arguments: (Aim for AT LEAST 3 arguments you are going to make to the board)

How did you feel about your work in this Shark Tank, preparing and presenting? Please explain.

Part 2: Feedback- ****DON'T FORGET TO TRADE PAPER BEFORE FILLING THIS SECTION OUT!**** Use this space to write down 2 positive things you saw your partner do and 2 constructive suggestion

Feedback Giver Name:

Feedback Giver's Role in Shark Tank:

Date:

Positive Things:

1.

2.

Constructive Suggestion:

1.

2.

Part 3: Note Taking- Use this section to take notes on the arguments made by the other explorers and the counter arguments/questions posed by the monarchs

	Monarchs Did they send an explorer? What motivated them to do so?	Explorers Were they successful in receiving funding? What sold their idea to the monarchs?
